# MESSAGE FROM THE DIRECTOR

We started our fiscal year off fully engulfed in all things COVID-19. Reduced capacities in our residential facilities to allow for quarantine rooms and more social distancing (in addition to single rooms for residents who were health compromised). Many visits with clients and their PPO occurred outside, which in some ways was a more relaxed setting to have an appointment. Our COVID precautions remained in effect until April 2021 when many staff and clients had the opportunity to be vaccinated and the positivity rates in our District had significantly declined.

In December, a local agency providing sex offender treatment in our community discontinued services, resulting in a significant and instant need to increase the sex offender treatment program services provided by our Department. We currently have two primary and two aftercare groups at our Sheldon office and two primary and four aftercare groups at our Sioux City office. We have four IBTSA certified staff (Iowa Board for the Treatment of Sexual Abusers) and seven staff working towards their certification.

I am super excited about our website ([www.thirddcs.com](http://www.thirddcs.com)) and the vast amount of organized information available there, especially the resource page.

I want to thank our Board for their guidance and support during the past year. I thank all of the community agencies that we work with to positively impact the lives of our clients. Most of all, I thank our staff for their passion and dedication to improving lives of those we work with and as a result, improving our communities.

Respectfully,

**District Director**

The Annual Report is prepared in accordance with Section 905.4 of the current Code of Iowa. This report is filed with the Board of Supervisors of each county within the Third Judicial District, with the Iowa Department of Corrections, with the State of Iowa Library, and with any other agency requesting a copy. It provides information about activities in the Third Judicial District Department of Correctional Services from July 1, 2020 through June 30, 2021.

# 2021 DISTRICT HIGHLIGHTS

## Diversity-Equity-Inclusion

The Diversity, Equity and Inclusion Focus Group (DEI Focus Group) was created in January 2021 to help identify any disparity within our Department, and formulate a plan to educate staff on the different ethnic backgrounds we serve and also build relationships in our community. The DEI Focus Group meets every two months and is comprised of eleven staff members that represent all divisions within the Department.

The DEI Focus Group has accomplished many things this past year. We look forward to expanding our community involvement and continuing to build relationships.

Some of the things the DEI Focus Group accomplished this past year include:

- Hosted speakers to educate staff
- Attended events in the community (National Night Out and Neighborhood Block Party)
- Attended Implicit Bias Training
- Attended Diversity Training
- Expanded Re-Entry Program to help eliminate barriers for our clients
- Expanded Incentive Program rewarding positive pro-social behavior
- Staff spoke at local colleges/universities
- Staff met with local substance abuse and mental health treatment agencies to build relationships

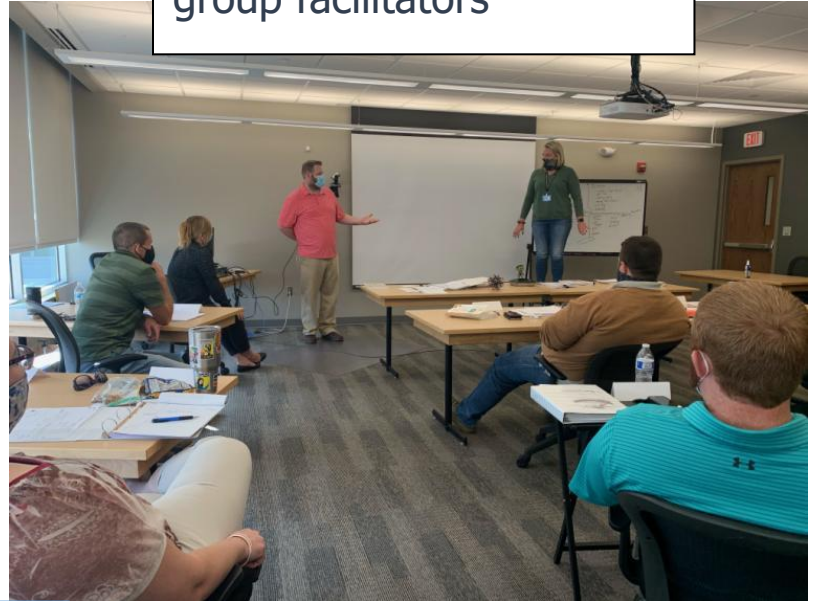

We all should know that diversity makes for a rich tapestry, and we must understand that all the threads of the tapestry are equal in value no matter what their color.

Each spring, staff and clients work together to help clean up Sioux City by participating in the "Litter Dash". This year, we picked up A LOT of garbage near Cone Park

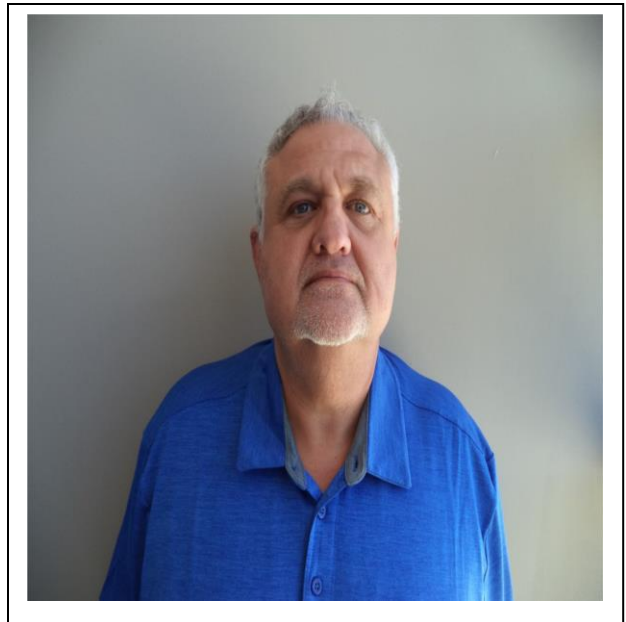

# RETIREMENTS

I began my career in IA DOC October 1996 and will retire just shy of completing 25 years here. It has been a challenging and fulfilling career. Definitely not slowing down, just moving at a more relaxed "if I feel like doing it, I will" pace. I wish good health and happiness to all of you. Thanks for the memories.  
-Manon Thrasher

After 28 years of service, Pat Krull retired on April 1st. Thank you Pat for your many years of service. We wish you well in your retirement!

# STAFF TRAINING

**Many of our staff are also trainers of specialized topics and facilitate training for the remainder of the Department. We are grateful for their skills and volunteering to be a trainer.**

New Employee Orientation training for all new staff hired in the past year was completed in the fall. We taught and coached topics such as: Core Correctional Competencies, Personal Safety, Report Writing, Motivational Interviewing, CPR, Community Resources, and much more.

A concerted focus for training in FY 2021 was completion of the many and varied training modules offered through our statewide Learning Management System. Staff completed a total of **2,137** of training hours through LMS, which is nearly the total training hours completed last fiscal year. Our total training hours for this fiscal year, 4,326 is nearly double the training hours completed last fiscal year (2,791).

## **The top training topics for FY2021 were:**

1. CPR
2. DRAOR (Dynamic Risk Assessment of Offender Re-Entry success planning)
3. Generic Notes (staff documentation)
4. New Employee Orientation
5. ICOTS (Interstate Compact Offender Tracking System)
6. Sex Offender Treatment Program Certification
7. Sex Offender Treatment and Intervention Progress Scale (SOTIPS assessment tool)
8. Iowa Risk Revised (quality assurance tool)
9. ACT Intentional Living

**Staff  
completed a  
total of**

**of training  
hours through  
in-person,  
virtual and  
web based  
training.**
