

## **IDOC Television Lease Agreement**

I (print name and number), \_\_\_\_\_, agree to accept one 15 inch clear flat screen TV and pay in advance a lease fee of \$12.00 per month plus 6% pay for stay for new or used TV less than one year of age, or \$8 per month plus 6% pay for stay for a used TV which is older than one year of age, or a different style TV that does not meet current specifications or price but has been grandfathered in by 10/30/16. The first payment will be on the following business day or designated by the institution. Every month thereafter, I will be charged on a monthly basis as directed by the institution. The lease period shall be monthly. The lease amount will be automatically deducted from my institutional bank account.

I also understand the following:

1. The USB port is disconnected and the back cover of the TV is sealed.
2. All lease TV's will have a sticker with the renter's name and the TV number on it. It is to remain on the TV.
3. A remote is not guaranteed or warrantied with TV rental.
4. If the TV is repossessed in the first 90 days of the issue date because of insufficient funds, I will be banned from renting another TV for 30 days from the repossession date. If I voluntarily turn in my TV, I will not be able to rent another TV for 30 days.
5. If I enter Administrative Segregation status under investigation, the TV will be confiscated. If I am released to a status allowing TV's, the TV will be returned as long as payment is current and no disciplinary report was issued.
6. If I enter a housing unit or cell that does not permit TVs, the lease agreement shall be terminated and the TV confiscated unless the move was pursuant to an investigation, then refer to 5 on this agreement.
7. If I am found guilty of a rule violation and sanctioned to any amount of Disciplinary Detention, the lease agreement shall be terminated, the TV confiscated and I will not be eligible for a refund or buy back regardless of the amount of time remaining on the rental agreement.
8. The TV cannot be removed from my assigned cell except for cell transfers, repairs, or to be returned to the assigned staff.
9. If a TV does not function properly or is in need of repair, I shall notify the assigned assigned staff by sending an o-mail through the kiosk.

10. If the TV incurs damage while in my possession, I shall pay for repairs or replacement cost, minus total amount of rental payments made to date (unless the damage is caused by normal wear as determined by the assigned staff).
11. If I am released or transferred, I will return my TV or activities staff will retrieve it prior to my departure. If 15 or more days remain in my monthly lease period, I will be refunded one half of the monthly lease fee and the buy back program may be offered per IDOC Policy **OP-RA-03**, *Recreation Programs*.
12. I understand that after 24 months of continuous rental, my TV will become my personal property and treated as such.
13. I understand the TV will not be allowed to leave the institution unless I have completed the contract. A buy back program may be offered to offenders who own their TV or who are released or transferred out of the facility per IDOC Policy **OP-RA-03**.
14. Any violation of this contract will result in the TV being repossessed and the contract voided without a refund or buy back opportunity.
15. I understand I am entering this agreement willingly and the same or similar TV can be purchased through IPI for less money and would become my personal property immediately.
16. When leaving the institution, rental TV's, cable cords, and remotes are to be brought to the unit officer or to the Business Office **the day before** you check out. Items must be returned if you don't make a TV rental payment or when staff requests. Lost, broken, or non-returned will be charged an extra fee. Co-ax cable will be \$7.80 plus PFS. Remote will be \$7.38 plus PFS.
